ORAL PRESENTATION >>> PPT TEMPLATE

INFORMATION FOR ALL SPEAKERS

Please note that the oral presentations will be allowed *15 minutes, plus 5 minutes* for questions and discussion.

A video beamer with PC will be available in the Conference rooms.

You can find a ppt template (16:9) for the preparation of your power point presentation.
The use of the template is only recommended, not compulsory.

We invite you to bring your .PPT presentation on a pen-drive/USB flash drive and hand it over to the technician at the slide center, before the beginning of your session.

Please save your .PPT with your #ID paper number, speaker's family name and Conference room's name (i.e. "1_Rossi_Margherita I").

We kindly ask you a few words, to be sent by email to: estad2025@aimnet.it by September 26th, about your role / position in your company / university, so that the Session Chairperson can introduce you properly to the audience.

If you have any questions, please do not hesitate to contact us by e-mail:
