

## **RUQIANG YAN**

Full Professor and Director of International Machinery Center at the School of Mechanical Engineering, Xi'an Jiaotong University, China. His research interests include data analytics, AI, and energy-efficient sensing for the condition monitoring and health diagnosis of large-scale, complex, dynamical systems.. Dr. Yan is a Fellow of IEEE (2022) and ASME (2019). His honors and awards include the IEEE Instrumentation and Measurement Society Distinguished Service Award in 2022 and Technical Award in 2019, and the IEEE Systems, Man, and Cybernetics Society Andrew P. Sage Best Transactions Paper Award in 2023. Dr. Yan is a Distinguished Lecturer of the IEEE Instrumentation and Measurement Society and served as the Editor-in-Chief (EiC) of the IEEE Transactions on Instrumentation and Measurement (2022-2024). He is now serving as the EiC of IEEE Systems Journal.
